Monsieur Voyageurs,

Hope this finds all doing great.

I was looking at the membership on the National web site and this is what they show.

2009	2010	% of Quota	Short	Goal	% of Goal
416	414	99.52%	-2	431	96.06%

I have just talked to V-175 and they will be submitting two renewals today this will make 100% of QUOTA but not 100% of GOAL and still two behind last year.

In order for us to make goal we need to turn in 17 above the 2 that V-175 will be turning in. As I said in my last letter we have 35 that have not renewed. If we got all of them to renew we would be 108.45% of Quota and 104.18% of Goal. I know with your help and dedication this can be achieved.

It would be great to have our Chef de Chemin de Fer (Jerry) go to National in September with his state over goal. This would be our way of telling him that he has done Texas proud and has been a great example to all Voyageurs in Grand du Texas and La Societe.

We have until the end of June to make it happen and I know that it can be done.

Thank you to everyone for your hard work and dedication to Grand du Texas and the Great Organization of La Societe.

Yours in Service to La Societe
