

National Child Welfare 2010

November 3, 2009

As Sous Directeur of Child Welfare it is my job to keep the Grand Directeurs informed of the activities and program status of the Nationale organization.

To date there are still 4 Grands in our area that have not requested any pins, without the proceeds from pin sales the Nationale Child Welfare Committee cannot operate. The Child Welfare Committee donated \$10,000.00 to the Charles Ardery Trust at Promenade Nationale. This was only made possible thru the efforts of 40 & 8'ers who supported the program by assisting with the sale of pins.

Nationale Directeur Nick Pulver has 800 pins in his garage and would like to share them with you. These pins are available for \$2.00ea. Just contact me or him and they will be shipped to you.

Only 1 Grand in our area has paid for their pins, as Grand Directeur or Grand Chef de Gare, contact your Locale Child Welfare Directeurs and help build a fire under them.

If you are having a Grand function and would like for me to attend and explain any of our programs, don't hesitate contacting me.

I would like to wish each of you a very happy holiday season

Until next month

Fraternally;

Ernie Cooper
